**First working group meetings of the NIS Platform
Brussels, 25-26-27 September 2013**

**Olivier Bringer
European Commission
DG CONNECT - Trust and Security**

The NIS Platform in the EU Cybersecurity Strategy

Objectives of the NIS Platform

- **Consistent implementation of the NIS Directive**
 - **WG1: risk management**
 - **WG2: information exchange and incident coordination**
 - **Draw from working practices, incl. relevant standards**
 - **Incentives for adoption**
 - **Cross-cutting / horizontal approach**
- **Input to the secure ICT R&I agenda at EU, national and industry level**
 - **WG3 on secure ICT research and innovation**

Organisation of the NIS Platform

- **An inclusive and multi-stakeholder Platform**
 - **Driven by the participants**
- **Work towards the general objectives set by the Commission**
- **Commission and ENISA to provide operational support to the chairs**

The next steps

- **Each WG to agree on its scope of work and working modalities**
- **Next plenary meeting in December**
 - **WG progress reports**
- **First output: guidance on risk management and information sharing (expected Q2 2014)**
